Lake Tahoe Tour and Dinner

This could be the most romantic evening you have ever spent!

Your evening will include a flight over scenic Lake Tahoe and the beautiful Sierra Nevada Mountains. You'll experience the spectacular scenery of Emerald Bay's magnificent teal waters, the lake's pristine and unspoiled shorelines and the beauty of the mountains. After your flight, you'll be treated to dinner at South Lake Tahoe's newest and most talked about restaurant, The Flight Deck Restaurant...located at the South Lake Tahoe Airport. You'll experience the most amazing runway and mountain views, not found any where else. The Head Chef and Owner has created a menu for this evening that includes his specialty entrées of mouth watering Rib-Eye, Halibut, Prawn Scampi, Salmon, Cornish Game Hen and Filet Mignon. All dinners include soup/salad, a glass of wine and dessert.

Your evening will begin with the Chief Pilot greeting you at the South Lake Tahoe Airport, headquarters of HeliTahoe Helicopter Company. After a short briefing of flight procedures, your tour will begin.

As you relax in comfort and listen to the pilot's narration (he speaks 5 languages), you'll enjoy panoramic views of the lake below. You'll see the wonder of Emerald Bay, Fallen Leaf Lake and Vikingsholm Castle. Every seat is a window seat and the safe, quiet Robinson R44 Raven II helicopter comes equipped with leather seats and active noise reduction headsets, so you can enjoy your flight in comfort.

As you return to the airport and your tour of the lake concludes, you'll be escorted by the pilot to The Flight Deck Restaurant, where you'll be greeted by the Head Chef and Owner. You'll be seated at his personal table, overlooking the runway with a stunning mountain landscape in the background. You'll view the arrival and take off of jets and helicopters, but from the quiet and comfort of your dining table.

Our new summer discounted pricing for the Lake Tahoe Tour and Dinner is in effect. The cost of this romantic evening for two is now \$165 and will be a night you'll never forget.
